b) HENRICH, Dr. Sander: Our card files indicate that a HENRICH, Sander STABO, Sander, born 7 June 1927 appeared on the Dropped Agent list dated 1 December 1949. Subject's nationality is unknown; last known address is also unknown. He was dropped for security reasons.

LEX 463, dated 19 Nov 1948 mentions a HENRICH, Sander, former European Wrestling Champion. Subject had been returned to Hungary from the Salzburg Camp Marcus Orr at the end of December 1945. He was accused of killing 42 Jews, but he claimed that upon his return to Hungary, it was revealed that the accusation had no foundation. For political reasons he was handed over to the Russians. He maintained his delivery to Hungary was actually the revenge of OSS because he knew the people who looted the Hungarian "GOAT TRAIN". He said he had an exact list of the items carried by that train, which he obtained while working for the GIC in Badgastein. He was under arrest by the Russians for about 5 months and received special treatment. He was released June 1946.

2. No information is available on other individuals mentioned in reference.
